JERSEY HIGHLIGHTS

A new LPI leader is crowned.

PROVEN HIGHLIGHTS

From Father, **JX River Valley Chief**, a former #1 LPI sire to **Lencrest Tobefamous** his son, the torch has been passed. Tobefamous simply fulfilled expectations in accepting the mantle and assuming the top LPI position. Tobefamous with a 50 point lead over Vivaldi who has been #1 or #2 for several years now and with a 78 point lead over Chief, the trio of Semex sires occupy the leader board for the Jersey breed.

Meanwhile another Chief son, **ST-Lo Honeydew** is positioned 6th among the Proven sires. It was a good day for **Sunny Hill Air**, the Jordan son from Sunny Hill Notepad Armadillo EX-92-2E, a frequent campaigner at shows in Western Canada for Gina and Michael Haambuckers, grabs the top Type ranking among the top 50 LPI sires at +14.

GENOMIC HIGHLIGHTS

In the young Genomic bull section **Allstar Manchester** sired by Tobefamous ranked at #4 and **Lencrest Skyblast** sired by **Unique Skyfall** ranked at #9 are the only pair among the top 10 LPI sires with double digit Type as well. **Vierra Deftone** at #6 and **MM Theboss Saruman** both Theboss sons at #10 offer outcross blood for most western Canadian Jerseys in a balanced package. **JX Progenesis Cinnamon** at #11 just out of the top 10 by Machoman is holding strong and is another outcross opportunity.

Dulet Goldorak by Tobefamous at #13 is also tops for Type among the top 50 bulls while **Dulet Samba**, his son at +16 is hot on his heels. The pair are the only two bulls in the top 50 LPI listing above +15 for Type. It's a great listing for Jersey enthusiasts offering both Type and Production bulls and a diversity of bloodlines too.
